

## **PRESS RELEASE: DAVE ROBERTSON JOINS PMC TREASURY AS HEAD OF TREASURY SOLUTIONS**

PMC is very pleased and excited to announce the appointment of Dave Robertson as Head of Treasury Solutions.

// PMC are excited to welcome Dave to our business and Senior Leadership Team. Dave's exceptional experience will be invaluable in creating and delivering Treasury solutions for our clients which deliver real value. He will play a key role in realising our ambition to be the leading provider of Treasury Solutions. //

KEVIN COOKE, CEO OF PMC TREASURY

// *In today's dynamic environment, the CFO and Treasurer have never been more important – serving both as a safeguard of a firm's financial condition and as an enabler for growth. PMC's significant growth and the impact it has had on hundreds of companies is a testament to the firm's expertise and unique blend of innovative thinking and practical solutions. I'm excited to join PMC and I look forward to working with my colleagues and clients to help companies address the challenges of today while seizing the opportunities of tomorrow.* //

DAVE ROBERTSON

PMC both advises and implements Treasury Solutions to a wide variety of global companies to optimise their Treasury and Working Capital functions. Treasury Solutions includes working capital improvement, foreign exchange, system implementation and debt management and our value proposition offers a unique blend of strategy development and hands on implementation

Dave joins us from Deluxe, a \$2bn revenue financial services and technology firm, where he launched and led the Payment Advisory Solutions (PAS) group. Prior to joining Deluxe in 2017, Dave led the financial services practice at Treasury Strategies.
