

## **PRESS RELEASE: JAMES WOOD-COLLINS JOINS PMC TREASURY AS HEAD OF FUND LEVEL RISK MANAGEMENT**

**PMC Treasury is very pleased to announce the appointment of James Wood-Collins as Head of Fund Level Risk Management with immediate effect.**

In the newly-created role, and as part of PMC Treasury's strengthened senior management team, James will develop and lead an enhanced service for PMC Treasury's clients, offering ongoing risk management programs to funds in private equity, private debt, infrastructure, renewable energy, real estate and other asset classes. These ongoing risk management programs can encompass currency, interest rate, inflation, commodity and energy price risks. This will complement PMC Treasury's long-standing expertise and leadership in transactional event-based risk management, as well as the provision of operational treasury solutions to portfolio companies.

James will also join PMC Treasury's Executive Committee and contribute to its continued global growth strategy across and between products and services.

James has spent the bulk of his 27-year career in financial services, including at J.P. Morgan and J.P. Morgan Cazenove, and at Record Currency Management, where he served as Chief Executive Officer for ten years. Across his career James has worked with financial institution clients including banks, insurers, institutional asset owners, and managers and sponsors of funds across a wide range of asset classes.
